Your sponsorship supports Galveston Island Nature Tourism Council's Raptors in Schools program. Each year during FeatherFest week, we provide several FREE raptor shows in area schools. The raptor shows feature hawks, owls, vultures, and other birds in a free flight educational program. The children learn about the natural history of these incredible birds along with their unique traits and natural abilities. The children get up close views of otherwise unapproachable wildlife. This opportunity provides a unique experience that may otherwise not be an option for schools.

***Does not include tickets to the VIP Experience**

The Galveston Island Nature Tourism Council is a non-profit 501(c)(3) organization.
